The Downtown Pinehurst Post Office will cease operations on August 19th. That's according to Enola Rice, a U-S-P-S Spokesperson who says that on that date services will be consolidated with those at the main post office on Blake Boulevard. "We are in a dire financial situation," admits Rice, "and we are closing or consolidating offices to help us stay in business." Rice says the post office boxes at the downtown Pinehurst Branch will be relocated to Blake Boulevard. Pinehurst Residents may choose to have their boxes relocated or they can start home delivery.
