

Car hits Cracker Barrel Restaurant

Friday, 03 February 2012 10:27

No one was injured today when a vehicle jumped the curb at Cracker Barrel Restaurant and struck the front of the building. The vehicle broke a handicapped parking sign in half, and crushed a few of the chains iconic outdoor rocking chairs. The accident did cause minor structural damage to the building, including breaking a support beam on the front porch.

Responding to the accident were units from Southern Pines Fire & Rescue, Moore County EMS and the Southern Pines Police Department.
