

## **Village Council repeals concealed gun ban**

Wednesday, 22 August 2012 00:00

---

Last month the Pinehurst Village Council voted to ban concealed handguns at all of its outdoor recreational facilities. This week the Village repealed the ordinance, admitting a mistake had been made. Mayor Nancy Fiorillo said her office was flooded with E-Mails protesting the ban. A similar ban on tobacco products remains in effect. The 300-Moore County Conservation And Wildlife Club had quietly sought repeal of the concealed handgun ban.
